Girl Scout Troop Camp Where Friendships Grow!

Join us for an exciting summer at Camp Roundelay, Camp Shingobee Timbers, or the Northern Lakes Canoe Base with your Girl Scout Troop. We are looking forward to an **adventurous** summer and want you to be a part of our camp family!

Spend time with your troop this summer exploring the **great outdoors**. Come for a weekend, join us during the week or for just a day. Our experienced, trained staff will assist you with specialized activities such as archery, swimming, boating, and outdoor skills OR add on horseback riding (Roundelay only), or high challenge course experience (Shingobee Timbers only) for an additional fee.

We have a variety of affordable options to fit your level of comfort in the outdoors and your troop's interests. After paying a \$25 deposit, girls can use Fall Bucks, Cookie Dough Credits, Troop Adventure Points, and Camp Care Day Credits toward the balance of their troop fees. Adults can use Troop Adventure Points or Camp Care Day Credits toward the balance of their troop camp fees.

Start by selecting the troop camp level that best fits your experience and interest based on the chart on page 4. When you're ready to register, head to your MYGS account to get signed up online. **Troop Camp Life really is the Best Life!**

Investing in the Future at Camp Sanderson

If you're looking for Camp Sanderson in our Summer 2026 schedule, you'll notice things will look a little different. We have decided to make the decision to "rest" the camp this upcoming summer season.

While we'll miss the usual summer bustle, we are using this time to assess and begin to tackle deferred maintenance and cabin upgrades. We are working behind the scenes to ensure that when we reopen, the Sanderson experience is more comfortable than ever for our overnight campers.

We need your help! Please consider joining us in the transformation! If your family, troop or Service Unit is interested in sponsoring a cabin upgrade or supporting improvements, reach out to our Fund Development Team (funddevelopment@girlscoutslp.org) to learn how you can help build the future of Camp Sanderson!

Girl Scout camp is powered by the Girl Scout Product Program: Fall Product Program and the Girl Scout Cookie Program!

Sellers receive credits (Fall Bucks, Cookie Dough, Adventure Points) to help pay for summer camp programs and items purchased in the Girl Scout retail shops and camp trading posts. Girl Scouts Lakes & Pines encourages Girl Scout youth to participate in the Product Programs to create goals and assist in earning their way to camp!

Camper participation in the product programs helps the council cover the overhead expenses associated with camp such as property maintenance, utilities, insurance premiums and more!

Each camp requires a non-refundable deposit, but the remaining balance can be paid with Activity Credits. To apply activity credits to a camp balance simply bring in or mail the credits to one of our Girl Scout Regional Offices or mail to our Waite Park Office with a note indicating to which camper and which program the credits should be applied.
