Where We Grow

Your 2025-2026 Program Guide

Dear Girl Scout Families,

We are so excited to grow together throughout the 2026 Girl Scout Year. No matter what you hope to grow this year, whether it's adventure, friendship, or confidence, we're sure to have a program (or a few) just for you.

This handy guide, along with the events calendar on our website, allows you to plan out your Girl Scout Year in advance. You'll be able to see our scheduled programs now, plan with your troops and families what you hope to attend, and register closer to the program date. Our program registrations are quarterly, meaning most Council Events and Partner Programs will be available for registration during a specified window.

Our registration quarters for
this year's programs are:

October - December programs:

Registration opens August 31, 2025

January - March programs:

Registration opens November 5, 2025

April - June programs:

Registration opens February 4, 2026

July - September programs:

Registration opens May 6, 2026

When you grow, we grow! As a Council, our goal is to support every Girl Scout in participating in as many programs as possible. Most of our programs are eligible for scholarships to allow in many cases the full cost of each program to be supplemented by Council.

As you attend programs, we hope you will also complete post-event assessments as available. We use your feedback to create each year's events to ensure we continue to provide the best possible experiences for everyone. Our program team genuinely reads each assessment, and appreciates all feedback as we plan the next year.

Our Girl Scout promise opens with the line, "On my honor, I will try," which is quite fitting for everything we do here at Lakes & Pines. We hope that you are excited to try new activities with us and challenge yourself to step out of your comfort zone as you plan your year ahead. Whether you join us for a Trefoil Adventure program, gear up for the 2026 Girl Scout Cookie Season at one of our Council Rallies, discover new places in Minnesota and Wisconsin through our Vendor Programs, or travel the world on one of our Council trips, we can't wait to see how you grow this year!

Yours in Girl Scouting,
The Program Team

What Sets Girl Scouts Apart

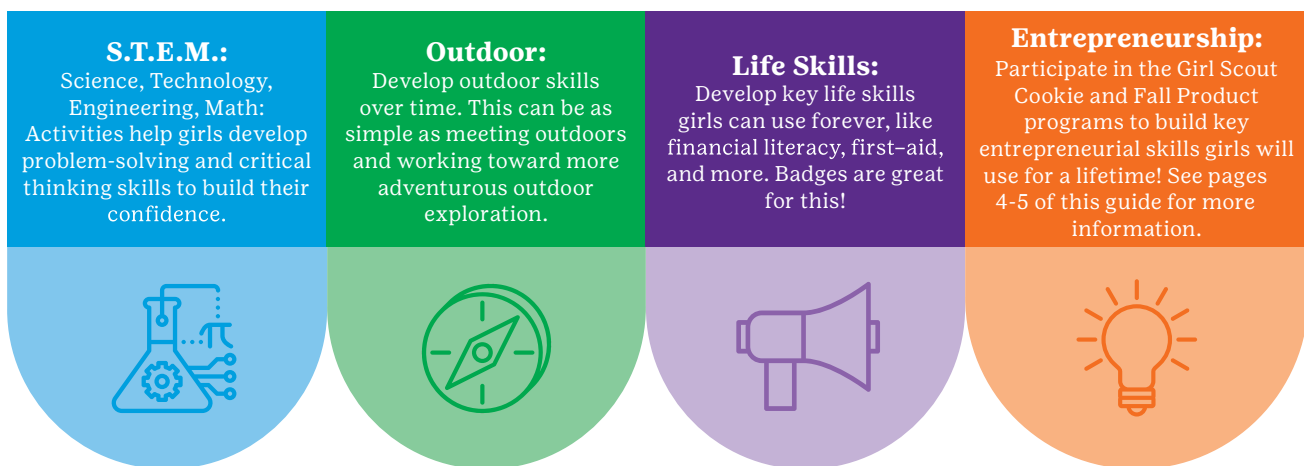

Have you ever wondered: “How does Girl Scouts build girls of courage, confidence, and character?” The answer is as simple as 1-2-3!

1. Know where you’re going before you start

Learn more about the five outcomes we want Girls to achieve through Girl Scouts:

2. Offer Girls activities from the four Program Pillars

3. Incorporate these program processes into your activities

Girl Led:
Girls shape their experience by asking questions, offering ideas, and using their imaginations.

Learning By Doing:
Girls learn through hands-on activities, talking about what they did, and reflecting on how they would do it differently next time.

Cooperative Learning:
Girls work together to brainstorm ideas and problem solve their way toward a common goal.

Ways to Pay for Programs

At Girl Scouts Lakes & Pines, we're committed to ensuring every Girl Scout has the opportunity to participate in every program, every time. Below you will find information on ways to pay for our programs. In addition to traditional payment methods, your Girl Scout and/or troop can utilize Cookie Dough, Fall Bucks, Adventure Points, or our Scholarship program.

To redeem for camp or council sponsored travel please submit Cookie Dough/Fall Bucks and Troop Adventure Points prior to your final payment.

Cookie Dough/Fall Bucks

Through participating in the Fall Product Program and Cookie Program, your Girl Scout will earn money to use for not only items in our council shops, but also towards most of our programs including Council Events, Travel Programs, Vendor Programs, and Programs on the Go. Girl Scouts can use up to 50% of their Cookie Dough/Fall Bucks towards most programming. Adults are not eligible to use Cookie Dough/Fall Bucks towards program, camp, or travel fees.

Participants must register and pay in full for the program or event if they do not have Cookie Dough/Fall Bucks in hand. Once Cookie Dough/Fall Bucks are dispersed, GSMWLP will provide the equivalent amount applied via refund to payment method.

Adventure Points

Troops earning Adventure Points may choose a programming adventure from a list of options put together by GSMWLP.

- These points are NOT CUMULATIVE
- Starting at an average of 300 packages per girl selling, the troop earns one point per girl selling plus two adults.
- Adventure Points are earned as a troop and redeemed as a troop.
- Only girls that are selling are eligible to use the Adventure Points; they may NOT be shared or donated.
- As programs are required to be paid in full at the time of registration, Troop Adventure Points will be reimbursed to the troop, along with any Cookie Dough or Fall Bucks redeemed, upon verification.
- Troop Adventure Points EXPIRE on September 30, the year issued-no exceptions.

Scholarship Program

We are committed to helping every Girl Scout experience our programs! We believe that, regardless of financial circumstances, everyone should have the opportunity to experience all that Girl Scouts has to offer.

We offer scholarships (financial assistance) for our Girl Scouts who might need a little help in being a part of our programs. Head to the Forms section of our website or email us at customercare@girlscoutslp.org for details.

ADULT RECO

Girl Scouts Lakes and Pines strives to build adults of courage, confidence, and character, who make the world a better place, too! By offering support to our volunteers in the areas of recognition, training, and evaluation, we help drive a foundational Girl Scout experience for everyone. We know volunteers will engage in new adventures, make new friends, and create lasting impressions on the lives of those around them and we want the time spent in our leadership program to be engaging and meaningful.

Recognition

Thank you, volunteers! We believe that the hard work and dedication our volunteers contribute to the Girl Scout program should be celebrated – often! Be on the lookout for the special appreciations organized throughout the membership year:

- Service unit and troop leader awards and incentives
- Volunteer appreciation promotions in our retail shops
- Annual Meeting
- Adult Recognition Ceremony

We also encourage Service Units to have a recognition team that shows appreciation and acknowledgment to leaders and helpful volunteers throughout the membership year. Do your Girl Scouts or caregivers have a leader appreciation idea in mind? Check out the Awards and Recognition page on our website for more suggestions.

Nominate-a-Friend Challenge

Let's celebrate our volunteers! Help us recognize the amazing adults who make Girl Scouts shine! We're honoring outstanding volunteers this year with a full slate of GSUSA Adult Awards—plus a special Service Unit Award.

Join the celebration by taking part in the **Nominate-a-Friend Challenge!**

How it works:

- Nominate a fellow volunteer for any GSUSA Adult Award, and you'll both receive Girl Scout swag as a thank-you!
- Whether they lead a troop, plan events, support behind the scenes, or go above and beyond in other ways—your nomination helps us show appreciation in a meaningful way. Awards will be presented at local service unit events by Girl Scout representatives.
